As at 12 September, 2024 a cumulative total of 3 859.15mt mealie-meal/maize grain had been collected under the Emergency School Feeding Programme. Cabinet noted that the school feeding programme has commenced well, with schools managing to provide hot meals for their learners.

## **2.0 ROADMAP FOR THE FORMULATION OF THE NATIONAL DEVELOPMENT STRATEGY 2: 2026-2030 (NDS 2)**

Cabinet considered and approved the Roadmap for the Formulation of the National Development Strategy 2: 2026-2030 (NDS 2), as presented by the Minister of Finance, Economic Development and Investment Promotion, Honourable Professor Mthuli Ncube.

The development comes at a time when the National Development Strategy 1: 2021-2025 (NDS1) is coming to an end in December 2025 with notable achievements in the areas of fiscal consolidation, monetary policy restoration, liberalization of the foreign exchange market, structural and governance reforms, infrastructural development, engagement and re-engagement, investment

promotion and support to the productive sectors were recorded under NDS 1.

NDS 2 will be the country's second 5-year medium-term plan towards the realisation of the country's Vision 2030. It will contain strategies and interventions which will ensure sustainable inclusive growth and development, innovation for modernisation and industrialisation, adaptation to climate change, eradicating poverty and promoting sustainable livelihoods of the vulnerable members of society.

The process of coming up with the NDS 2 blue print is set to take 18 months and is scheduled to be completed in November 2025. The preparatory stages started with the launch of the Economic Census that commenced in May 2024 and will run until June 2025. The crafting of NDS 2 will start with stakeholder consultations to come up with National Priorities which will be the key pillars for NDS 2 formulation and implementation. The National Priorities will be crafted by 15 November, 2024 followed by the formation of NDS 2 Thematic Working Groups, and Strategies formulation from February 2025 to May 2025.

NDS 1 Terminal Evaluation will be carried out during the period April 2025 to June 2025 followed by NDS 2 drafting from June 2025 to October 2025. The Draft NDS 2 will be presented to Cabinet for approval in November 2025 and thereafter launched for implementation.

### **3.0 MOP-UP VETTING EXERCISE FOR WAR COLLABORATORS AND NON-COMBATANT CADRES**

Cabinet considered and approved the memorandum on the Mop-Up Exercise for War Collaborators and Non-Combatant Cadres as presented by the Minister of Veterans of the Liberation Struggle, Honourable Senator Monicah Mavhunga.

The exercise represents the last major phase of a comprehensive verification effort to ensure all legitimate veterans are accurately recognized and appropriately honoured for their contribution to the nation's independence. A total of ZiG 47.2 million has already been availed to the Ministry for the exercise.

The post-vetting assessment revealed that over 93 363 War Collaborators and Non-Combatant Cadres still require vetting. It was also realised that a significant number of War Collaborators were excluded due to an age limit imposed by the existing legislation, despite their recognition by wartime commanders as being among the most agile and effective participants in the struggle. The exercise commenced on 25 September, 2024 in all the wartime fronts.

War Veterans who operated in specific areas will vet War Collaborators and the wartime operational command structure has been reactivated. Detachment/Zone Commanders will be responsible for the actual vetting supervised by their Sector/Region

Commanders. For Non-Combatant Cadres, the vetting will be in provincial capitals across the country and will be conducted by Commanders of various transit camps.

Individuals not satisfied with the outcome of the vetting process can appeal in terms of Section 9 of the Veterans of the Liberation Struggle Act. In terms of Section 8 (8) of the Veterans of the Liberation Struggle Act, the names of the successful candidates shall be listed and published in the Government Gazette for thirty days after the conclusion of the vetting exercise to allow members of the public to make representations.

**5.0 PRINCIPLES OF THE SCIENCE, TECHNOLOGY, INNOVATION  
START-UP AND KNOWLEDGE-BASED ECONOMY PROMOTION  
BILL**

Cabined considered and adopted the Principles of the Science, Technology, Innovation Start-Up and Knowledge-based economy Promotion Bill, which were presented by the Minister of Higher and Tertiary Education, Innovation, Science and Technology Development.

The proposed principles seek to foster innovation, stimulate entrepreneurship, and propel economic growth by creating favourable conditions for start-ups. The proposed law will attract investment, generate employment opportunities, and establish Zimbabwe as a hub for innovation and technological advancement.

The Bill will provide for deliberate industrialization of Zimbabwe through promotion of science, technology, innovation and start-ups; promotion robust knowledge-based economy in Zimbabwe; and facilitation of Science and Technology Agencies and institutions of higher and tertiary learning's work in implementing science and technology projects for start-ups in the innovation hubs, Science and Technology parks and industrial parks. The Bill will also provide for the promotion of endogenous science, technology and innovation driven industrial growth by start-ups through well designed tax incentives, rebates and preferential procurement by government. Furthermore, the Bill will provide for deliberate land allocation by government and local authorities for innovation hubs and industrial parks as part of master plans; and establishment of the Innovation Bank for the promotion of innovation and start-ups.

## **6.0 BROADCASTING SERVICES (AMENDMENT) BILL**

Cabined considered and adopted the Broadcasting Services Amendment Bill, which was presented by the Minister of Justice, Legal and Parliamentary Affairs as Chairman of the Cabinet Committee on Legislation.

The major objective of the Broadcasting Services Amendment Bill is to align the Broadcasting Services Act [*Chapter 12:06*] with the Constitution and also with the Public Entities Corporate Governance Act. The amendment will also modernize the Act, and industrialise the sector.

The enactment of the legislation will amend several sections of the Broadcasting Services Act [*Chapter 12:06*]. Of special mention is the amendment of section 2A of the principal Act on the role of the Broadcasting Services of Zimbabwe which is to regulate and manage the broadcasting services bands for sustenance rather than control of broadcasting service bands. The Bill will also provide a new provision which will prohibit the Zimbabwe National Road Authority and every motor insurance cover to sell a motor vehicle licence and motor insurance policy respectively to individuals without the Zimbabwe Broadcasting Corporation current radio licence or an exemption certificate from the Zimbabwe Broadcasting Corporation, unless the vehicle to be insured is not equipped with a radio signal receiver. The Bill mandates the National Broadcaster to broadcast 75% in local content. Furthermore, the Bill will provide for a licensee with a sports channel to broadcast 50% local sports content in view of the fact that sporting events are universal and international sports may bring commercial value to licensees.

## **7.0 FOREIGN AFFAIRS MATTERS**

### **7.1 Report on the 2<sup>nd</sup> Indonesia-Africa Forum by Vice President Hon. Col. (Rtd) K.C.D. Mohadi: Bali, Indonesia: 1-3 September, 2024**

Honourable Vice President Col. (Rtd) K.C.D. Mohadi presented a Report on the Second High-Level Indonesia-Africa Forum which he attended from 1 to 3 September, 2024 in Bali, Indonesia.

The visit offered an opportunity to further deepen bilateral relations between the Republic of Indonesia and the Republic of Zimbabwe as well as to foster mutually beneficial synergies. The Second Indonesia-Africa Forum (IAF II) was held under the theme, "*Bandung Spirit for the Africa Agenda 2063*", which was anchored on the following seven pillars: Outlook of the Region and Prospect of Cooperation; Economic Transformation; Mining Cooperation; Energy; Health; Food Security; and Development Cooperation.

In his address to the Joint Session, Vice President Mohadi highlighted that there is need for African countries to develop their capacity to handle global pandemics. The Vice President also pointed out that Zimbabwe had already commenced discussions with Indonesia to strengthen cooperation in the health sector, specifically in the area of pharmaceuticals. He invited the Indonesian and African investors to Zimbabwe to invest in value

addition and sustainable extraction in the mining sector as the country has rich mineral deposits.

Vice President Mohadi paid a courtesy call on President Widodo during which the Indonesian President highlighted the following issues of interest to Indonesia in its bilateral relations with Zimbabwe: Indonesia's interest to enter into a Preferential Trade Agreement and the ratification of the Bilateral Investment Promotion and Protection Agreement with Zimbabwe, in order to boost levels of trade and economic interaction between the two countries; Indonesia's keen interest to enter into a Memorandum of Understanding on Cooperation in Mining.

The Vice President witnessed the signing of the Memorandum of Understanding (MoU) on Cooperation in the Field of Health between the Government of the Republic of Zimbabwe and the Republic of Indonesia, which focuses on improved secondary and tertiary health interventions; improved resilience in surveillance of pandemics; and improved leverage of technology in health delivery.

## **8.0 REGIONAL WORLD CHILDREN'S DAY CELEBRATIONS**

The Minister of Public Service, Labour and Social Welfare, Hon. J.G. Moyo briefed Cabinet on the forthcoming 2024 Regional World Children's Day Celebrations which will be held in Hwange District, Matabeleland North Province from 15 to 17 November 2024, with the official event being on 16

November, 2024. Children will interact with their Heads of State presenting to them an updated Call-for-Action building up from previous commitments. The event will run under the theme “Educate and Skill the African Child for Posterity”. His Excellency the President Cde. Dr. E.D. Mnangagwa will officiate at the event. He will be joined by Heads of State from Botswana, Namibia, Zambia, Malawi, Mozambique and South Africa. The children will also have an opportunity to visit the Victoria Falls.
