General Notice 625 of 2020.**HIGH COURT ACT [CHAPTER 7:06]****Creation of the Anti-Corruption Division of the High Court**

NOTICE is hereby given, in terms of section 46A of the High Court Act [Chapter 7:06], that in the interests of expediting justice delivery and after consulting the Judge President, I have created a specialised division of the High Court to be known as the Anti-Corruption Division of the High Court.

The Anti-Corruption Division of the High Court shall be responsible for adjudicating on all matters in which corruption or abuse of office is an element, including—

- criminal trials and other matters arising out of or connected with criminal trials; and
- civil cases arising out of instances of corruption or abuse of office; and
- reviews, applications and appeals from magistrates courts in cases where corruption or abuse of office is an element;

and, for the purpose of this notice—

“abuse of office” includes—

- conduct specified in section 174 of the Criminal Law (Codification and Reform) Act [Chapter 9:23] as constituting criminal abuse of duty as a public officer; and
- any conduct on the part of an agent, other than a public officer, which would amount to criminal abuse of duty as a public officer if the agent were a public officer;

“agent” has the meaning given to it in section 169 of the Criminal Law (Codification and Reform) Act [Chapter 9:23];

“corruption” includes—

- conduct specified in sections 170 to 173 inclusive of the Criminal Law (Codification and Reform) Act [Chapter 9:23]; and
- any other dishonest conduct committed by an agent in his or her capacity as such.

HON. L. MALABA,
Chief Justice.

EXPLANATORY NOTE

(This note does not form part of the notice but explains its contents)

In terms of section 46A of the High Court Act [Chapter 7:06] the Chief Justice has power to create specialised divisions of the High Court in accordance with section 171(3) of the Constitution, where he considers it appropriate to do so in the interests of expediting justice delivery or promoting ease of access to justice, or for any other reason.

A specialised division of the High Court such as the Anti-Corruption Division is able to exercise the general jurisdiction of the High Court in any matter that is brought before it. Hence the Anti-Corruption Division will have jurisdiction to deal with matters falling outside those specified in this notice.

The Judge President will assign at least two judges of the High Court to the Anti-Corruption Division and will specify the periods for which they will be so assigned.
